Vehicle Tracking at the speed of LIVE.

Fleet management has changed at the most fundamental of levels. In a word, the technology has evolved. Welcome to the next-generation in fleet tracking, asset monitoring, and personnel management. EasyTracGPS delivers LIVE results, right NOW...not X minutes ago.

With EasyTracGPS' ComTrac Series, you can view turn-by-turn as your vehicles move, verify that personnel are on-site & confirm activity, and pull from a variety of vehicle logs and reports on the fly.

This isn't a 2-minute tracking update. It's not a 1-minute update. Not even a 30-second update.

It's truly LIVE.

Worldwide flat-rate, unlimited use service for just **\$35.95** per month
